

# Directions to Orchard Mews Clinic

## The Clinic Address is:

15 Thorpe Road  
Peterborough  
PE3 6AB

If you use a Sat Nav, please be aware that this may not take you directly to us.

You can use [What 3 words](#) to find us – search “///counts.wins.food”

We are located on Thorpe Road in Peterborough, alongside the Crescent Bridge.

This is a view of the approach by road as if driving towards Peterborough Town Centre (You can see the Crescent Bridge over the Railway at the top of the picture – if you go over the bridge then you have gone too far – go to the roundabout and turn round).

As you approach the Bridge you will see Peterborough Registry Office on your right.

Turn right down the “slip road” alongside the bridge.

You will see a large white building which is the Quaker’s meeting House.

Next there is a long green hedge about 40 feet long.

This is a view of the gate leading to the Clinic. Turn in here and park to the left if possible.
